I understand that the templates will be delivered as three attachments (total 1.2 MB) to an email: all three files are in Word format. I agree to accept the content "as is."

The templates are the professional opinion and sole property of Ronald Elsis. This license allows up to 5 people in my organization to have access to the templates. I agree that if I wish to share, reproduce or distribute the templates or any portion thereof in any form to anyone outside the purchasing entity, I will first obtain express written permission of Ronald Elsis.

I have read the description at <http://caryandassociates.com/rpts/descrip/PMLPtemplates.htm> and I understand that all sales are final.
